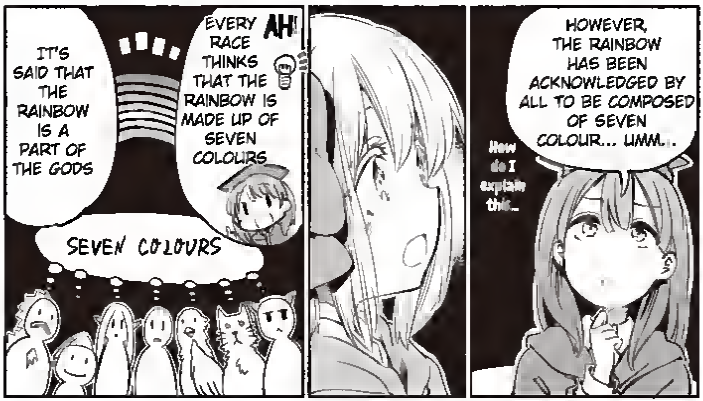
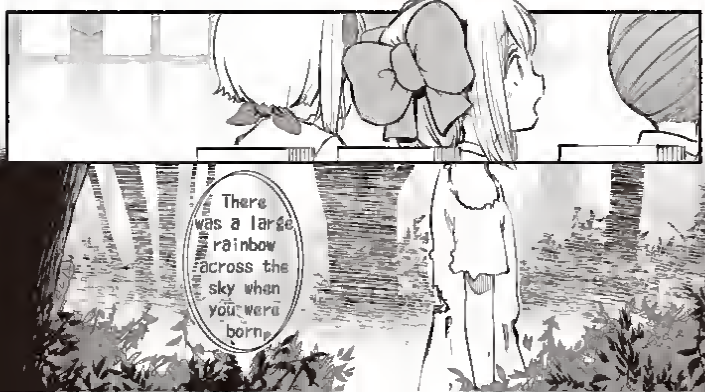
SAME
I HATE RAIN
YAY!
Rainbow
I LIKE THE RAINBOW THAT COMES AFTER
WAIT THAT'S NOT QUITE RIGHT
AH!
OH MY... I'M ACTUALLY QUITE A FAN

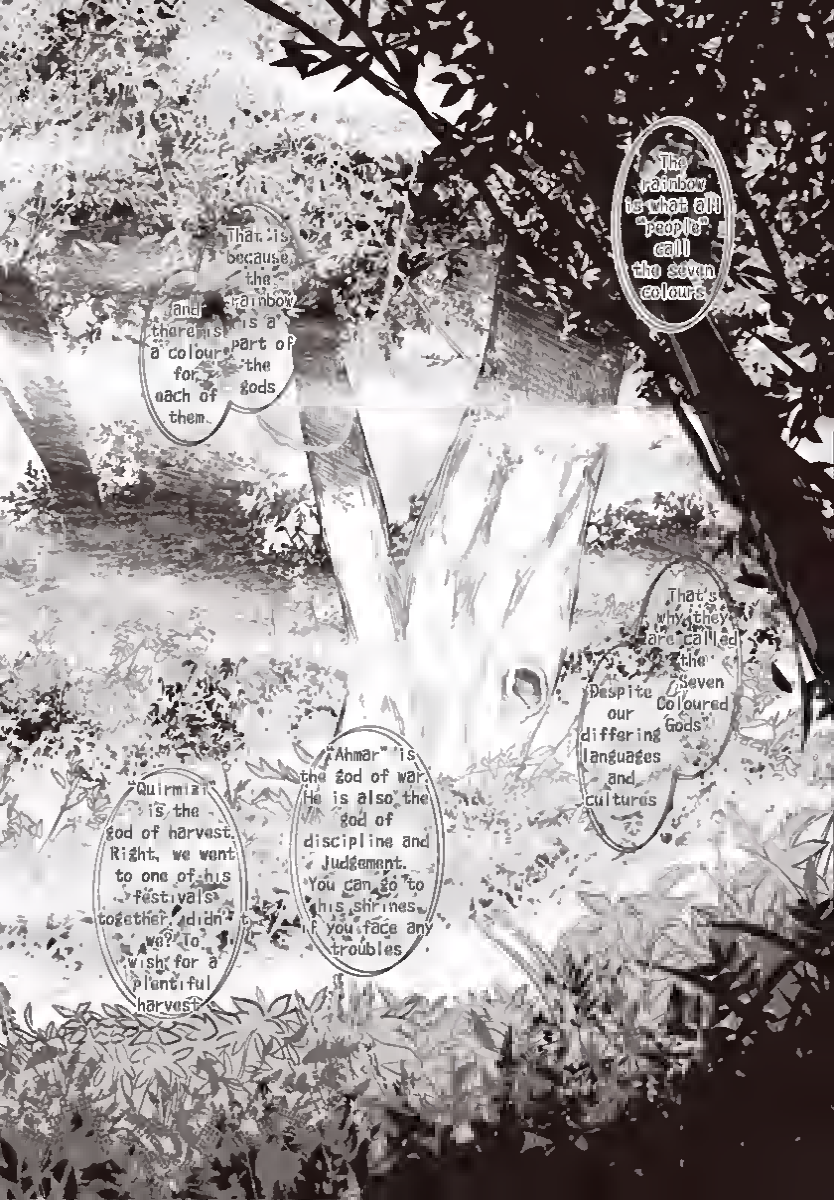
AND SO, I'M SURE EVERYONE KNOWS THAT THERE ARE A LOT OF DIFFERENT RACES, AND THAT OUR LANGUAGE, AND CULTURES, MAY DIFFER SLIGHTLY
KROIX IS A CITY WHERE TRAVELERS FROM ALL AROUND COME TO
HMMM, HOW ABOUT I TELL YOU ALL A LITTLE STORY?



IT'S SAID THAT THE RAINBOW IS A PART OF THE GODS
EVERY RACE THINKS THAT THE RAINBOW IS MADE UP OF SEVEN COLOURS
AH
SEVEN COLOURS
HOWEVER, THE RAINBOW HAS BEEN ACKNOWLEDGED BY ALL TO BE COMPOSED OF SEVEN COLOUR... UMM...
How do I explain this...



There was a large rainbow across the sky when you were born.



The rainbow is what all people call the seven colours.
That is because the rainbow is a part of the gods
and there is a colour for each of them.
That's why they are called "the Seven Coloured Gods"
Despite our differing languages and cultures
"Ahmar" is the god of war. He is also the god of discipline and judgement. You can go to his shrines if you face any troubles
"Quirmiz" is the god of harvest. Right, we went to one of his festivals together, didn't we? To wish for a plentiful harvest

Travelers flock by the guide of Ahdar. The world is a really big place and filled with things you've never seen before.
Asfar is the god of knowledge and leadership. A lot of people gather within his shrines to study. You have a good head on your shoulders, so it might do you good to study there too.

That why they are called the Seven Coloured Gods.

"Azraş" is the god of business. I wonder what sort of job you'll have when you're older?
"Nili" is the god governing life and death. Research regarding diseases and medicine is also conducted here. Magic isn't effective against diseases so please take care of yourself.
"Banafsaj" as the leader of the gods, governs over creation, destruction, as well as rebirth.

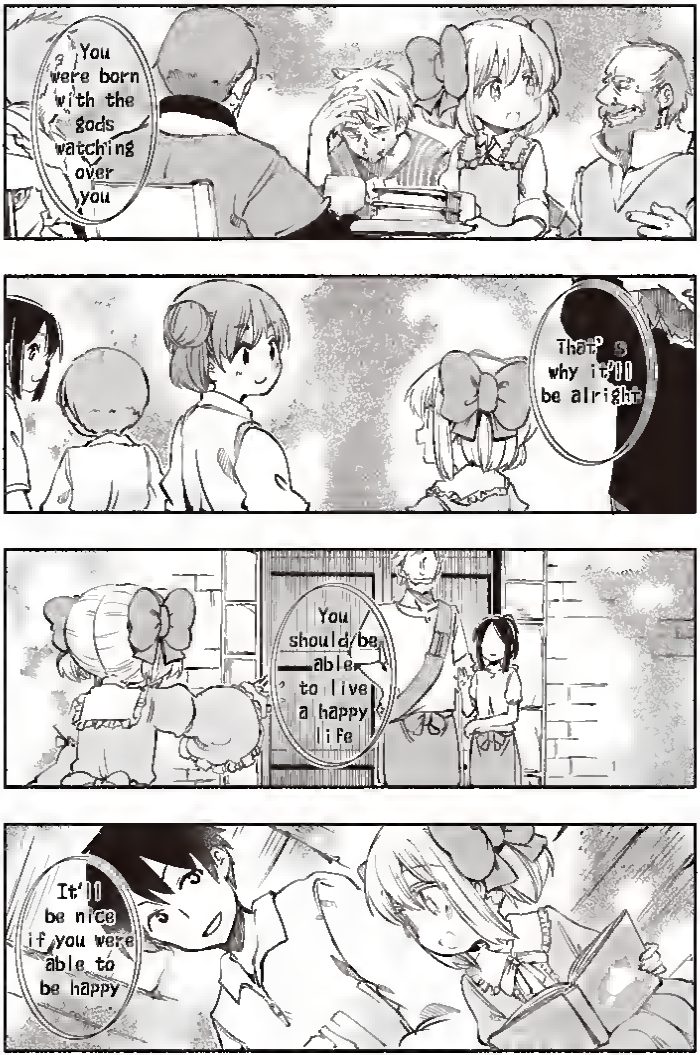
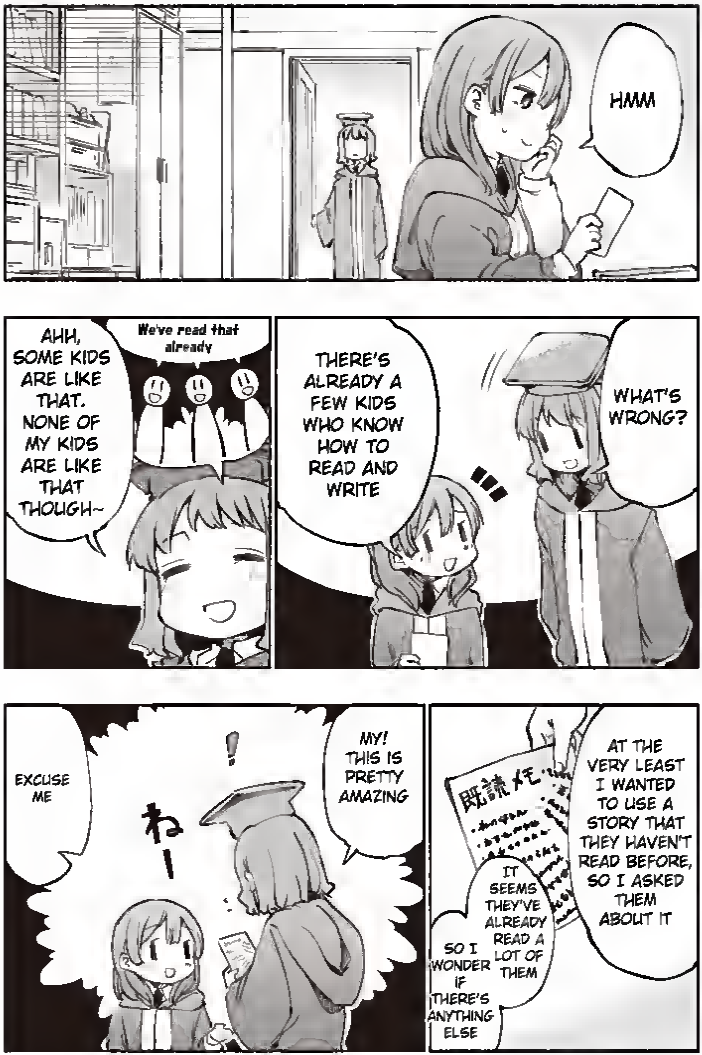
Rainbows appear when the gods are watching over us from above
...WHICH MEANS THAT RAINBOWS ARE PAINTED ACROSS THE SKIES WHEN THE GODS ARE WATCHING OVER US
THUS, SINCE THE GODS ARE WATCHING OVER US
YOU SHOULDN'T DO ANYTHING NAUGHTY, OKAY?
OF COURSE, YOU SHOULDN'T BE BAD WHEN THERE AREN'T ANY RAINBOWS EITHER

WOW! IT'S SO BIG!
SO PRETTY!
When you were born
A large rainbow was painted across the skies



You were born with the gods watching over you
That's why it'll be alright
You should be able to live a happy life
It'll be nice if you were able to be happy



HMM
WHAT'S WRONG?
THERE'S ALREADY A FEW KIDS WHO KNOW HOW TO READ AND WRITE
We've read that already
AHH, SOME KIDS ARE LIKE THAT. NONE OF MY KIDS ARE LIKE THAT THOUGH~
AT THE VERY LEAST I WANTED TO USE A STORY THAT THEY HAVEN'T READ BEFORE, SO I ASKED THEM ABOUT IT
既読
IT SEEMS THEY'VE ALREADY READ A LOT OF THEM
SO I WONDER IF THERE'S ANYTHING ELSE
MY! THIS IS PRETTY AMAZING
EXCUSE ME
ねー
!

TODAY, WE RECEIVED A MESSAGE SAYING THAT WE HAD TO SEND A HIGH-RANKING PRIEST OVER TO THE NEXT TOWN OVER
OH, HEAD PRIEST, DID YOU NEED SOME-THING?
I WOULD LIKE YOU TO TAKE OVER THAT POSITION
HAA...
HOW SUDDEN
WHEN DOES SHE GO?
TOMORROW

LET ME INTRODUCE YOU TO YOUR NEW TEACHER
